Dear Mr Davidson

**5 ACRES NOW WEBSITE**

I refer to representations I made on your behalf concerning the above matter to the General Manager, who has now responded and a copy of that response is attached for your information.

I regret that a more positive outcome was not achieved in this case and still support your concern of intimidation.

I note that the General Manager has not addressed my comments regarding the reactionary methodology applied to this matter however that is a matter for him.

Thank you for raising your concerns with me and please feel free to contact me at any time in the future should I be able to assist you.

Yours sincerely

Councillor Sonya Phillips  
**MAYOR**
